WATCH Why Tameika is running: <https://youtu.be/Cx-WBfKw3fk>

Tameika Isaac Devine has 19 years on the city council of consistently voting and implementing incentives for safer communities, economic development, and fiscal responsibility. As the current At-Large Councilwoman, Tameika understands the inner workings of city government. She has a clear vision for the future and believes together we can build a better Columbia.

Tameika plans to continue to build on the work she has started....as mayor she plans to:

- Collaborate with national and local partners to address COVID-19 recovery (health and economic)
- Creating a Diversity, Equity, and Inclusion Officer for the city can ensure we are addressing the city's issues through an equity lens.
- Establish a multidisciplinary team within the police department to address some of our hardest challenges (homelessness, mental health, gun violence, and youth violence)
- Set citywide affordable housing annual goals and establish private-public partnerships to meet those goals
